OUR STRATEGY
Sarasota Baptist Church exists to glorify God by sharing the gospel with unbelievers, serving the hurting, equipping believers practically with God's Word, and exalting Jesus Christ in worship while encouraging people to live in an atmosphere of love and grace.

getting connected

Do you desire to speak with someone today about:

- Trusting Jesus Christ to be your Savior?
- A decision to be baptized?
- An immediate prayer need?

Please come forward when the Pastor provides an opportunity after his message, or after the service has dismissed.

At Sarasota Baptist Church there are many ways to get involved. You can begin this process through Community Groups, Volunteering and our Membership Luncheon. Here you will build friendships, learn more about the life of our church and have the opportunity to grow in your faith.

Wednesday Nights in February

Jack & Jill - Relationship Series
From a trail of love, kisses and fairy-tale endings to a path of anger, betrayal, broken crowns and tumbling after, relationships can be the best and worst things in our lives. It's worth taking time to navigate the dangerous yet enthralling terrain of relationships because if our relationship with God doesn't determine our romantic relationships, then our romantic relationships will determine our relationship with God. So let us seek to follow God in this area of life so that we can avoid falling down, breaking our crowns and causing others to come tumbling after.
